Bridges to Hope
 August 14—10 am to 2 pm

Bridges to Hope will have a focus that will ultimately be geared toward single mothers and their families, school-aged children, and unemployed (or underemployed) heads-of-households. The event will include a free meal as well as various stations that will offer specific resources correlating to the seasonal needs at that time.

Blackford County Hope committee members will be the primary organizers of the event; however, volunteers from several organizations will partner with Blackford County Hope to assist community members in need.
